Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicants were given the opportunity to explain what the invention is, the problem aims to solve and how the features believed to be novel are represented in the independent claims. Examiners identified potential issues with the claims such as possible 101 issues related to the lack of a result (e.g., the actual processing and execution of the order once the relationships are established). It is also advised to review the claims for clarity, 112 issues such as antecedent basis. Applicants indicated intent to file a supplemental amendment in 1 week (i.e., by 9/28/07).
